Dear John,

Thank you so much for the wonderful and very informative tour of important Miami sites. Everyone thoroughly enjoyed the tour, though it was cut too short. We do want to do it again, this time starting at the Tribal Center. We also learned not to plan the tour on our last day of classes because that is the only day we really need to get back to Portland by 4:30. The other days we would have been good until 6 p.m., although that would have worn you (and all of us) out! It was so meaningful to walk the sacred ground of the cemeteries and to finally see Seven Pillars for the first time.

Thank you also for your donation of your honorarium and travel reimbursement to National Center for Great Lakes Native American Culture. For tax purposes, the total of your donation was \$220. Your generosity is greatly appreciated.

We look forward to meeting with you again in the near future. Hope your foot is recovering well.

Sincerely,
